

Corinthian Lodge No. 38

Your Legacy, Our Foundation

Memorial Flagpole & Brick Garden Project

Anyone else donating will have the same color brick as Master Masons, just no artwork:
Example; Puyallup Demolay --- Chapter 26 ---Est 1987

We would like to set up the 4 corners to the layout as 8"x12" pavers to represent the lodge name.

Example...Corinthian - No. 38 - Year EST. -- Square & Compass ...
One in each corner.

The bricks will be \$100 each...

The row around the perimeter will be only for actual lodges.
Example: Corinthian No. 38 Puyallup WA EST. 1887 and these will all be in one color brick...and all have the regular square & Compass artwork

The next row inner to that will be all past masters.
Example, WB Kyle Foster -- "Coach" -- Raised 2014/WM 2020, and these will be all one color different from the lodge bricks and have the past masters square & compass on them.

The last color will be Master Masons with the regular square & compass as artwork.

Example Bro. Bob Smith -- titles held---date raised on 3rd line
